

# Stanford Synapse

Brain Injury Support Group

## I Love My Brain

Friday, Feb. 2<sup>nd</sup>, 3-6 p.m. at A<sup>3</sup>C Clubhouse Ballroom

Join us for our first brain injury awareness symposium. Listen to talks by about the science and experience of a brain injury, engage in discussion with a panel about living with a brain injury, and participate in interactive activities. Free food and refreshments will be provided. No RSVP is required.

### Schedule:

3:00-4:15pm: Keynote speakers:

President Marc Tessier-Lavigne, PhD

Dr. Jamshid Ghajar MD, PhD

Russell Siegelman, MBA

4:15-4:45pm: Panel discussion: Living with brain injury

4:45-6:00pm: Hands-on activities:

Feel a Brain by Stanford Brain Day

Helmet+Gear giveaway and bike maintenance

EYE-SYNC tech demo by SyncThink

And more!
